ESSEX COUNTY AAA would like to thank all the Officials & Marshalls & CHELMSFORD ATHLETIC CLUB for the use of their course & Clubhouse for todays Championships. We hope that the new Start/Finish of the races was to the liking of the runners. In the future we will have to appeal to the runners who run the first three laps to wait in the Car Park until runners have completed their laps or we possibly have an accident. If any Clubs have any suggestion relating to the Championships, either the running of the races or any other matter please let me know.
